

**First Argentine Congress of Genodermatosis and Epidermolysis  
Bullosa**

**First Iberian and Panamerican Encounter of Genodermatosis and  
Epidermolysis Bullosa**

**Second International Joint Meeting of the Argentine Society of  
Dermatology and the Center in Investigation of Genodermatosis  
and Epidermolysis Bullosa**

**“Advances in genodermatoses”**

**Organized by the Center in Investigation of Genodermatosis and  
Epidermolysis Bullosa (CEDIGEA)**

**Program - Webinar**

**Thursday, September 17, 2020**

**General Coordination:** Dr. Luz Velazquez Perdomo – Dr. Heliana Hernandez  
Herrera

**Secretaries:** Dr. Diego Lopez – Dr. Florencia Loperfido

**1:30 – 1:40 pm Welcome Message:** Prof. Dr. Graciela Manzur and  
Prof. Dr. Ricardo Gelpi – Dean of the School of Medicine

**1:45 – 2:10 pm Challenging Cases of Rare Heritable Skin Diseases: The Power of Next Generation Sequencing!** Jouni Uitto MD, Ph.D., USA.

**Chairpersons:** Dr. Laura Valinotto – Dr. Mario Bittar

## **Module I**

**2:15 – 3:50 pm “Skin Fragility Syndromes I”**

**Simposium: Advances in Epidermolysis Bullosa I**

**Chairpersons:** Biochemist Monica Natale – Dr. Luz Velazquez Perdomo

**2:15 – 2:45 pm Advances in Genetic Therapy**

Dr. Fernando Larcher Laguzzi – Spain

**2:45 – 3:05 pm Study of the Biome in Wounds with EB**

Biochemist Ignacia Fuentes – Chile

**Simposium: Advances in Epidermolysis Bullosa II**

**Chairpersons:** Dr. Leticia Lopez – Dr. Gabriela Sanchez

**3:10- 3:50 pm Therapeutic advances in the clinical management of patients with EB**

**Advances in the management of wounds:** Dr. Eliana Cella

**Advances in the management of pain and itching:** Dr. Florencia Fernandez

**Advances in the management of systemic complications:** Dr. Valeria Angles

## **Module II**

**3:50 – 4:50 pm The present status of EB in Latin America**

**Chairpersons:** Dr. Laura Valinotto – Dr. Graciela Manzur

**Chile:** Biochemist Ignacia Fuentes – **Mexico:** Dr. Julio Salas

**Brazil:** Dr. Ana Elisa Kiszewski Bau – **Colombia:** Dr. Mauricio Torres Pradilla

**Paraguay:** Dr. Olga Gutierrez – **Argentina:** Biochemist Monica Natale

## **Module III**

**4:55 – 5:25 pm Skin Fragility Syndromes II**

**Chairpersons:** Dr. Lorena Profilo – Dr. Heliana Hernandez Herrera

**Speakers:** Dr. Mariana Gasibe – Dr. Luz Velazquez Perdomo

Dr. Maria Luisa Rueda

**5:25 – 6:05 pm My problematic cases**

**Chairpersons:** Dr. Ana Mordoh – Dr. Susana Grees

**Speakers:** Dr. Carla Castro – Dr. Cecilia Farrero – Dr. Margarita Larralde

Dr. Maria del Carmen Boente – Dr. Ines Irurzun

**First Argentine Congress of Genodermatosis and Epidermolysis  
Bullosa**

**First Iberian and Panamerican Encounter of Genodermatosis and  
Epidermolysis Bullosa**

**Second International Joint Meeting of the Argentine Society of  
Dermatology and the Center in Investigation of Genodermatosis  
and Epidermolysis Bullosa**

**“Advances in genodermatoses”**

**Organized by the Center in Investigation of Genodermatosis and  
Epidermolysis Bullosa (CEDIGEIA)**

**Program - Webinar**

**Friday, September 18, 2020**

**General Coordination:** Biochemist Monica Natale –Dr. Laura Valinotto

**Secretaries:** Dr. Cynthia Belo – Dr. Dolores Montero

**1:30 – 1:55 Heritable Ectopic Calcification Disorders – PXE and GACI:** Jouni  
Uitto MD, Ph.D., USA

**Chairpersons:** Dr. Nancy Leston – Dr. Mario Bittar

## **Module IV**

**2:00 – 2:45 pm Genodermatoses with Malignant Potential**

**Chairpersons:** Dr. Silvia De Francesco Silvia – Dr. Mariel Giovo

**2:00 – 2:15 pm Advances in Neurofibromatosis**

**Speakers:** Dr. Patricia Ciavarelli

**2:15 – 2:30 pm Advances in Tuberous Sclerosis**

**Speaker:** Dr. Nora Tito

**2:30 – 2:45 pm Advances in PIK3CA-related overgrowth spectrum (PROS) syndrome**

**Speaker:** Dr. Patricia Della Giovanna

## **Module V**

**2:50 – 3:10 pm Advances in Rasopathies:** Dr. Helena Vidaurri de la Cruz – Mexico

**Chairpersons:** Dr. Ianina Massimo – Dr. Andres Martinez Burkett

## **Module VI**

**3:15 – 3:45 Ectodermal Dysplasias**

**Chairpersons:** Dr. Jose Antonio Massimo – Dr. Maria Dora J. Lacarrubba Flores

**3:15 – 3:35 pm Advances in Ectodermal Dysplasias:** Dr. Julio Salas – México

**3:35 – 3:45 pm Our experience in the genetic study of Ectodermal Dysplasias in Argentina:** Dr. Laura Valinotto

## **Module VII**

**3:50 – 5:15 pm Are you familiar with this syndrome?**

**Chairpersons:** Dr. Nancy Avalos – Dr. Miguel Allevato

Dr. Roxana Di Leo - Dr. Romina Andrada – Dr. Juliana Del Sel

Dr. Maria Dora J. Lacarrubba Flores - Dr. Silvina De Freijo

Dr. Juan Manuel Chappuis - Dr. Bettina Cervini - Dr. Helena Vidaurri de la Cruz

**5:15 – 5:45 pm Advances in Ichthyosis:** Dr. Graciela Manzur

**Chairpersons:** Dr. Ariel Sehtman – Dr. Mirta Fortino

**Closing remarks:** Dr. Ariel Sehtman – Dr. Mario Bittar – Dr. Graciela Manzur
